### Activities and Experience of the organisation in youth work

We are NGO that implement diverse projects, trainings, youth exchanges and other educational activities, organize various events, conduct research and analysis and cooperate with wide network of institutions with the aim to:

- create more educational opportunities and provide new experience and knowledge for personal as well as professional development and growth;
- stimulate creation of new and innovative ideas as the basis for entrepreneurial initiatives and new businesses;
- promote active citizenship, civic participation and volunteering;
- encourage a responsible attitude towards nature, animals and protection of the environment;
- promote sport and healthy lifestyle,
- support integration of minorities and refugees into the society, enhance intercultural understanding among locals and third country nationals and promote equality of opportunity for all.
- contribute to the development of rural areas and disadvantaged regions;

#### **We work both, at:**

**INTERNATIONAL LEVEL** - our activities and projects include:

- organizing youth exchanges, trainings, conferences in Slovakia and hosting participants from various countries in our country,
- sending Slovak youngsters for youth exchanges, trainings and EVS abroad,
- long - term cooperation with NGOs from around the world within KA2
- strategic partnership, capacity building, Sport action, Europe for Citizens projects (diverse projects about topics such as entrepreneurial education, migration, hate speech, active citizenship, sports etc.)

---

**LOCAL and NATIONAL LEVEL** – we organize: workshops, discussions, contests etc.

We have headquarter in Bratislava, capital but we organize various activities all around Slovakia. More information about our projects and activities can be find on our website:

<https://www.adelslovakia.org/en>

We cover a broad scale of topics according to what our target group find interesting (e.g. youth participation, intercultural dialogue, active citizenship, entrepreneurship, sport, healthy lifestyle, peace-building, but also art and culture). All of our projects and activities are based on the approaches of non-formal education, experiential and intercultural learning, social inclusion and active participation.

Our team consists of several youth workers and youth leaders of various profiles. The management of our NGO has over 10 years of experience in the NGO sector. We are experienced in preparing/organizing and training in different kind of projects and events.

### **What are the activities and experience of the organisation in the areas relevant for this application?**

Here are some examples of some long-term projects that we worked on:

**Eco-Friendly Sports** – aim of the project is promote sport and physical activities that not only contribute to better health, but has also positive impact on environment, develop new methods of environmental education through sport and to increase amount of organized events like clean-up events, plogging, planting trees, birdhouse building, repair cafés etc. on local level,

**Customized SuPport to Youth Development of Active Leadership** - project in cooperation between Europe and Latin America fostering empowerment, leadership skills and social entrepreneurship of disadvantaged young people through various trainings, youth exchange, competitions, local conferences.

OID number: E10015938

---

**Entrepreneurship Skills for Youth** – aim of the project is to encourage and assist young people to become (socially responsible) entrepreneurs through local workshops and trainings.

**IMAPPY** – A Strengthened Network and An Integration Map for Refugees – we developed an application and „survival kit“ for migrants with all needed information, contacts, institutions for their integration in Slovak society.

**Building Democratic Europe Together** – aim of the project was to raise awareness about totalitarian regimes and promote value of democracy among young people through creation of video interviews with civil society activists who were involved in the transition process and fight against communism in Slovakia.

**You are Welcome** – aim of the project was to support integration of foreigners in Slovakia and overcome stereotypes, prejudices or intolerance of Slovak people through various events or workshops.

**Winter Sport is Coming** - aim to promote winter sports not only as physical activity, but also as educational tool to support social inclusion and intercultural dialogue among young people from different backgrounds by development and implementation of Winter Sports Camps.

...and many more

**We have received the following approved projects last 3 years /grants from the EU – some as coordinators and some as actively involved partners (not included projects where we only sent participants)**

---

**Key staff involved in this application and competences/ previous experience that they will bring to the project.**

**Lenka Curillova** is the founder and executive director of the organization. Before the establishment of ADEL, she worked in several NGOs and institutions, participated in many various trainings, youth exchanges, conferences, and also did an EVS in Macedonia. She holds PhD in EU Studies from Comenius University and she was also teaching courses and did research on European youth policy. She was also chosen to represent Slovakia as an OSCE Youth Ambassador, as fellow of program in U.S. "Sustaining Civic Participation in Minority Communities" or in program about business growth of developing countries in International Management Institute in India. She has a lot of experience in the field of project and financial management gained through preparation and implementation of projects (Erasmus+, Europe for Citizens, Interreg, Visegrad Fund, national grants etc.).

**Jana Turanská** is Project Coordinator in ADEL Slovakia and also pursuing a Ph.D. in history at Palacký University in Olomouc. Jana specializes in historical research related to religion, minorities, and marginalized social groups, especially Jews. She has studied at various institutions in Europe including CEU in Budapest, Paideia - The institute for Jewish Studies in Sweden, as well as in Israel at the Hebrew University of Jerusalem. While studying in Sweden, she received training focusing on non-formal education in Jewish communities and beyond, for example using the Chevruta method. She has experience also in formal education as a university lecturer and she also has experience giving lectures on historical or cultural topics to the general public. She gained experience in project management while working for the Jewish Museum in Prague (Yerusha and EHRI international projects).

**Denisa Karabova** is besides her activities in ADEL also an Assistant Professor at the Department of Political Science of the University St. Cyril and Methodius in Trnava and teach different courses about EU. She holds PhD in European Studies. She has organized several youth exchanges and participated in many trainings, conferences and on internship in NGO Cross Culture International Foundation in Malta. She has a wide experience with youth work from both, local and abroad. She is currently also chairwoman in NGO European Dialogue aimed at raising awareness of youth in European affairs (ADEL and ED actively cooperate together).

**Lucia Redajova** finished her Bachelor in the field of nursing. She was social and educational worker with the title of DiS, worked for a year as a Medical Assistant at StThomas Hospital in London and for 2 years at the Higher Specialized Geriatric Institute. She later joined the Erasmus + program, first as a volunteer at ADEL and later as part of a team. During her six years at ADEL Slovakia, Lucia focuses on the coordination, preparation and running of projects, co-organizing events, helps with training and focuses mainly on logistics and project management and preparation of participants. Lucia is a graduate of the Red Cross first aid course and worked as a volunteer at Médecins Sans Frontières during her studies. She also volunteered and did internships in various organizations before and did her EVS in Bulgaria.

---

**Klara Tothova** – project manager of our Interreg project – Co-Age Volunteers. She has more than 20 years of experience in managing development projects funded by national and international resources. She has wide knowledge about project and financial management, overview of accounting, payroll, personnel regulations, tax legislation and related regulation with project management; knowledge of rules related to the public procurement process, procurement experience small-scale and low-value contracts.

**Filip Knazek** - trainer, facilitator, coach. Filip has extensive experience with short-term soft skills trainings aimed on topics such as behavioral patterns, communication, stress management, mindfulness, personality types, conflict management, presentations skills, leadership, body language & movement and coaching. Currently he focus on self-development topics in the youth and academic field. He regularly organize local workshops for the public and is trainer on international trainers about those topics.

Besides that, we have several other collaborators (e.g. translator, graphic designer, video-maker etc.) and volunteers who help us to organize our projects and events.
